The Barrel Room

The Bernardo Winery Barrel Room is the original winery, containing vats built in place by a French Cooperage firm in the early 1900's which makes for an amazing piece of Vintage California Architecture. Northern California Redwood was transported by wagon and railcar to create these historic pieces of equipment. The character and charm this venue has adds something to your event that you would be hard-pressed to find anywhere else in the world. Upon entering the Barrel Room, you will experience the scents and delights of over 100 years of winemaking history. Being built into the slope, and with

its high ceilings, the Barrel Room stays a constant cool temperature all year round. (Includes white padded folding chairs)

Rosario's Pavilion

Our premier event venue is located on the eastern side of the Bernardo Winery Village. A dear part of Bernardo Winery's heritage, the Pavilion is dedicated to the late Patriarch of the Rizzo Family, Ross Sr. (Rosario is the Italian name for Ross). Rosario's offers a beautiful venue for any event. Boasting beautifully lush gardens with turn of the century vineyard and wine-making implements, a built-in bar and catering buffet table. Olive trees provide shade while the beautiful tiered fountain adds to the intimacy. This venue is the perfect combination of a partially covered pavilion and outdoor garden escape, ideal for any occasion. (Includes white padded folding chairs)

Uncle Vito's Park

Uncle Vito's Park was named after one of the most fun-loving members of the Rizzo Family. As a labor of love each week, Uncle Vito would mow the lawn and make sure 'his' park was immaculate for the family 'festas' that weekend. This venue is one of the most beautiful park-like areas around, surrounded by producing vineyards, shading olives trees, antique gazebos and covered in thick lawn. The covered patio allows for shades and a picturesque view of the park fountain and rose garden and the shadow of a century-old windmill casted over the park in the afternoon. (Includes white padded folding chairs)

Other Notes

Our property is vast compared to many venues in San Diego. Please be aware of your children's location during an event. Many times children wander away from an event venue and then run the risk of getting hurt on our very antique equipment; we are not liable for any injuries resulting from negligence. Also, strewn around the winery grounds are antique artifacts from decades ago that are attached to walls and poles. Please be careful not to bump them or take them from their home. You will assume all liability for injuries. Since the Bernardo Winery is very prone to fire damage, we do not allow any open flames. That does include sparklers, candles fires etc. However, we do allow votive candles in proper hurricane vases. Please ask the Event

Manager if you are unsure about what may be allowable or not. Our tables are 60 inch round tables, and our stock chairs are white padded folding chairs. Upgrades may be purchased through the winery events office.
